Local Internship Opportunities

Logistics Internship Program (Distribution Center)
London, Kentucky

The Walmart Logistics Internship Program is designed to build relationships with up and coming talent for positions within the organization. As a Logistics Intern, students will have the opportunity to gain a realistic job preview of working in a dynamic environment and provide them with practical skills beyond their classroom experience.

The minimum qualifications for the Logistics Internship Program (hourly position) are as follows, and must be validated by the HR manager or hiring manager:

- Enrolled in a 4-year college or university or
- Entering or currently in the junior or senior year of college as of May 31st
- Minimum 3.0 Cumulative GPA

OR

- Enrolled in an Associate’s Degree program in Business, Logistics, or related field
- 1 year supervisory experience
- Minimum 3.0 Cumulative GPA
