Morehead Ranger District, Morehead, KY
Redbird Ranger District, Manchester, KY
Stanton Ranger District, Stanton, KY
Stearns Ranger District, Whitley City, KY
The Center has the following five organizational areas:

Administration
Counseling
Education
Residential Living
Vocation

Pine Knot Job Corps Center has been a training program that has served generations of young adults through intensive programs of education, vocational training, work experience and counseling since 1965. The basic responsibility of the Job Corps Program is to give America’s disadvantaged youth between the ages of 16 and 24 the opportunity to develop needed vocational skills and to earn an education. This contributes to their ability to more fully participate in the world of work and citizenship.

The Job Corps Mission is to create a safe, secure, supportive and clean environment for our students that is conducive to their accomplishing the maximum academic, vocational, social, and employability skills. This will enable them to obtain the tools necessary to be employable, productive, responsible members of society.

The Pine Knot Job Corps Center is located approximately 90 miles south of Lexington, KY and approximately 80 miles north of Knoxville, TN. The Center has the capacity to house and train 175 students. The Center is closely tied to the community to provide additional training opportunities for the students through an active work experience program.

Pine Knot offers training in the following career technical training fields:

Auto Mechanics
Construction Craft Laborers
Culinary Arts
Urban Forestry
Welding
Union Brick Masonry
Union Carpentry
Information Technology

Career Technical Training is accomplished through work experience training and classroom instruction. The length of the career technical training programs on Center varies, but, as a rule, each trade is approximately 800-1200 hours and length of stay is from 10 to 24 months.

Pine Knot offers a broad-based educational program. All students must participate in education as well as vocational training. Placement in education is based on tests administered upon entrance. This allows students to progress at a rate consistent with their abilities. Small classes provide individual attention throughout the program. Pine Knot is an accredited high school by the state of Kentucky. The Center awards high school diplomas as well as GED Certificates upon completion of the total academic and vocational training programs.
Three dormitories (one female, two male) housing 64 students each comprise the residential living quarters on Center. The Residential Living staff is responsible for maintaining the living area, providing social skills training and for providing a well-rounded recreational program.
