Special Education Teacher K-8 Joliet, IL

Special Education Services, a member of The Menta Group, offers elementary, middle, and high school programming to special education students residing in the mid-state Illinois and the Chicago metro area; and the Maricopa and Pinal County areas of Arizona. Elementary and middle school curricula emphasize real-world, community-based learning. Classrooms are designed to be active learning environments where young people have the opportunity to experience educational and behavioral success on a regular basis.

Thompson Instructional Center provides an enriched educational environment for students in grades K – 8. The bright hallways and large classrooms are ideal for active learning and the school's curriculum promotes positive growth and development. Both regular and special education students benefit from the school's staff of committed educators and clinicians. Educational options are flexible at Thompson, ensuring that the individual needs of each student can be addressed.

Background: Thompson Instructional Center is a public-private partnership between Joliet Public Schools District 86 and Special Education Services. Thompson offers academic instruction to students in kindergarten through 8th grade.

Qualifications:
Type LBS1/Special Education State of Illinois certified at the elementary and middle school level
Comprehensive training, experience, and mentoring in curriculum area
Ability to teach a self-contained classroom within all basic instructional areas
Ability to work a regular school day and the ability to work with youth with emotional/behavioral/academic difficulties
Employment is contingent upon a background check, employment physical and drug screen
Bi-lingual applicants are encouraged to apply.

This position offers an access to medical, dental, vision plans, 403(b), sick pay, holiday pay, and personal days. The salary range is comparable for the position and area, depending upon certification and qualifications. All of our programs post their open teaching positions on our website and feature an easy-to-complete application process.
