EDUCATIONAL JOB FAIR
Southwest Academy
Southwest Education Center
Mesa Center for Success

The Menta Group has a reputation for giving professionals the tools to be successful in any educational environment. With over 30 years of experience in the Arizona educational system staff receive the highest degree of training and ongoing support. Our programming focuses on collaboration between all members of the team in order to meet the needs of our students. At the Menta Group, we are constantly looking to build upon the strengths of our staff and provide opportunities for growth and development within the organization. Through the fostering of a collaborative environment and innovative ideas for meeting student needs, all of our staff play a critical role in the proven success rate of our students. The Menta Group is committed to providing you with ongoing training and support as well as in opportunities to invest in furthering your education. We will pay for special education teacher certification internship programs (Board approval required).

Our schools provide optimal and rigorous education to students between the ages of kindergarten through 12th grade who are challenged by social-emotional, learning, and behavioral difficulties. Our educational model encourages the development of academic and social-emotional skills in a positive and well-structured learning environment, with a focus on preparation for postsecondary education, employment, and citizenship.
