Title: Facilities Intern
Reports to: Property Program Coordinator
Job Classification: Exempt Status

Position Summary
Provide leadership that creates a culture to develop relationships both with our staff and our guests which leads to a greater understanding of the Gospel and seeks to display a level of excellence that anticipates, meets and exceeds our guests’ needs. The Facilities Intern will assist the Facilities Director with general upkeep of the grounds and facilities as needed. This will be a one-year, paid commitment with appropriate housing. Hours will be determined by the season of the year.

Values
Gospel displayed as:
• Commit to a daily walk with Christ that includes reading His Word, praying and regular fellowship with believers.
• Commit to a consistent attendance in a local body of believers.
• Commit to regularly sharing your faith.

Relationships displayed as:
• Commit to seeking out opportunities to build relationships with our staff.
• Commit to resolving conflict in a way that honors Christ and His Word.
• Commit to seeking out opportunities to build relationships with our guests while on property.

Excellence displayed as:
• Commit to seeking to do everything that we do as unto the Lord.
• Commit to help hold accountable each person on our staff to this same level of excellence.

Key Areas of Responsibility
• Cleanliness/organization of all property facilities
• Groundskeeping
• Completion of maintenance requests as assigned by Facilities Director
• Vehicle maintenance (upkeep/repair)

Core Competencies Required
• Experience with mowing equipment, i.e. riding mower, tractor, weed eating, etc.
• General knowledge of both hand and power tools
• General knowledge in light duty construction/remodeling, i.e. painting, carpentry, plumbing, drywall repair, etc.

Measures
The Facilities Intern will be able to:
• Solve problems and diagnose issues by assessing various maintenance issues
• Communicate effectively with guests and staff by responding to daily maintenance requests.
• Identify essentials of building infrastructure by assisting in major construction projects and building repair.
