Woodmen of the World is looking for enthusiastic, hardworking, assertive, empathetic individuals wanting to do all kinds of good in their communities right where they grew up, all the while having the potential of earning well beyond a six figure income. We want individuals to live and work where they know people and people know them, not someplace strange and far away.

Anyone can checkout our website and go to the careers tab and look at the sales tab for more info.

Or, you can contact RT Jefferson at 606-759-1409.

If you are interested, submit your resume to rtjefferson@woodmen.org.
