LCSW Outpatient Clinician

Summary

Title: LCSW Outpatient Clinician
ID: 30229
Location: Southeastern Counties in Kentucky
Company: Cumberland River Behavioral Health, Inc.

Description

Erego Employer Solutions is recruiting for this position for its client Cumberland River Behavioral Health, Inc.

CUMBERLAND RIVER BEHAVIORAL HEALTH, INC. - COMPANY OVERVIEW

Cumberland River is a community based not-for-profit organization providing services in mental health, developmental/intellectual disabilities and chemical dependency for eight Southeastern Kentucky counties.

POSITION DESCRIPTION

Cumberland River is seeking a full-time LCSW Outpatient Clinician to provide clinical interventions and assume administrative responsibilities for the consumers of the Cumberland River Mental Health/Mental Retardation Board, Inc. The Independent Practitioner is a member of a multi-disciplinary team responsible for providing on-going assessment, crisis resolution/disposition, and behavioral health services.

ESSENTIAL DUTIES:

- Make an assessment of and determine the clinical interventions for the assigned consumers. The population can include: children, adolescents, adults with behavioral health needs and developmental delays.
- Implement a treatment plan based on assessment data as well as a sound knowledge base of standards of professional practice and principles of their respected discipline.
- Provide care based on ethical concepts, adhering to established standards of practice and will engage in activities or behaviors that characterize professionals.
- Ensure the accuracy, content and completeness of client files.
- Provide services within time requirement as set forth in Agency policy and procedures.
- Provide services as documented in client treatment plan.
- Refrain from assuming any duty that is unrelated to and/or interferes with the responsibilities of the position.
- Respond to emergency situation in a timely fashion.
- Demonstrate the ability to work effectively with other team members, as part of a multidisciplinary team, and independently, when necessary.
- Other duties as assigned

QUALIFICATION REQUIREMENTS:

- Must have a minimum of a Master’s degree in psychology, social work, marriage and family therapy, counseling or nursing from an accredited school.
- Meet licensure requirements for your respective board.
- Have autonomous functioning without supervision.
• Submit to and pass a criminal record check and a drug screening test.
• Good oral and written communication skills.
• Good interpersonal skills.
• Ability to exercise good judgment, tact, diplomacy and compassion when problem solving, handling conflict or in a crisis situation.
• Ability to complete record keeping in a timely fashion.
• Ability to formulate treatment objectives for the person served.
• Ability to get along with diverse personalities and maintain effective working relationships.
• Ability to work well with people of all races, backgrounds and needs.
• Knowledgeable of Mental Health Concepts and how to incorporate concepts into practical application.
